

Technology Packed to Protect you

Price List Effective 5th Feb, 2026

Important Note: This price list supersedes all previous price lists released so far and any price list existing before this date shall stand cancelled. All prices are List Price exclusive of GST.

About Us

HPL is an established electrical equipment manufacturer with highly efficient manufacturing facilities and in-house research & development centers to produce best in class products for Indian and international markets. with an extensive sales and marketing network, comprising over 90 Branch & Representative offices, 1300+ Workforce, 900+ Dealers & Distributors network with a pan-India presence of 85000+ Retailers. HPL enjoys a significant recall in the LV switchgear and various product segments across industrial, commercial and consumer segments.

HPL Product Segments:

- Metering Solutions
- Modular Switches
- Solar
- LV Switchgears
- LED Lighting and Luminaires
- Fan
- LV Protection Devices
- Wire & Cables

Techno MCB - Changeover Switch

HSN Code: 85362030

MCB Changeover switch conforms to IS : 13947 / part III & IEC 60947.

MCB Changeover switch provides changeover from Electricity Board supply to Generator Supply & Vice-Versa.

BELLOZA Series Distribution Board

Features

- Suitable for flush mounting & surface mounting.
- Insulated Bus Bar rated upto 200A.
- Safe Neutral link covered with FR Housing.
- Provided Door Earthing.
- Unique feature of PAN Assembly for ease of installation. This is an advantage during maintenance.
- All the MCB's mounted inside the DB can be take out in just one shot by the easy removal of the four screws.
- Special care of Cable Management.
- Adequate wiring space has been provided below the Pan Assembly for proper termination and safety.
- Two finger holes to lift the plate have been duly plugged for making the board dust free and safe.
- Level marks for providing indication for fitment in wall.
- Cable knockouts on all sides for speed of installation.
- White Texture (SM) HMT 1609 with new look & new innovative DB.
- Supplied with masking sheet to protect components from cement during plastering.
- As per IP-43 Protection.
