**SWITCH UP
TO THE
EXTRAORDINARY.
SWITCH UP TO
ENGLAZE.**

A LEGACY OF ENGINEERING EXCELLENCE.

For over half a century L&T has been dedicated to India's growth, developing infrastructure that became icons, protecting India's soldiers, building homes and developing India's best switchgear brand to keep the homes safe. It is with the same heart and soul that Larsen and Toubro built these switches, with an aim to bring the best of technology and aesthetics to your homes.

#SWITCHUP

When you have stepped beyond the ordinary, every step you take elevates you to the next level. Every step is a switch up. Flawlessly flat and majestically minimalist, Englaze would silently stay a testament to your taste, the life you lived and the world you built around you.

SWITCH UP TO THE EXTRAORDINARY.
SWITCH UP TO ENGLAZE.
